# BEFORE YOU TURN ON YOUR VIDEO...

Have you told your family you're joining a Meet?

Are you dressed for learning?

Is the background appropriate?

Headphones plugged in?  
(if you have them)

**NOW THAT YOU'RE READY, TURN YOUR VIDEO ON AND SAY HI IN THE CHAT.**

Choose a good learning spot in a shared area of your house.  
Make sure you stay in your spot during the Google Meet.

Check your microphone is on mute so there's no extra noise.

Raise your hand if you have something to say or type your question in the chat.

Wait for the teacher to call on you before unmuting your microphone to share.

Track the speaker and use positive body language like a nod or thumbs up to show that you are listening.

Remember to follow the FARM code by using friendly and respectful language.
